#### ABOUT THE WEDDING

“The Bridal Couple chose our Symbolic Beach Wedding - Intimate & Romantic. They asked us to provide a personalized speech for the venue, flower arch and bouquet, bridal make up and hair style, a professional photographer and a nice location where to celebrate their wedding and spend their honeymoon. We tried to realize the wedding they have always wanted, exactly how they always dreamed it would be. They shared their dream with us, and we have helped them live it at an idyllic powder sand beach” said Anna, SardiniaWedding Planner.

For exchanging their wedding vows they dreamed of a private beach ceremony overlooking the sea just for the two of them.

THE LOCATION  
SYMBOLIC BEACH WEDDING  
INTIMATE AND ROMANTIC

THE PELICAN BEACH RESORT & SPA is an Adults Only Resort located directly on the sea with direct access to a beautiful white sandy beach.

With its exceptional beachfront setting and superb catering service, this hotel brings the perfect dream wedding day to life!

Tizzy and John booked a beautiful Junior Suite with Sea View, at only 50 mt from the beach, and tied the knot on The Pelican's white-sand stretch of beach with the Sardinian Sea sparkling in the background.

This Hotel is perfect for special events, like this symbolic beach wedding, and offers a variety of outdoor and indoor spaces, set to capture the personal taste of every bride and groom.

For their intimate ceremony on the beach overlooking the Island of Tavolara and Sardinian Sea, Tizzy and John could not find a more romantic spot for their wedding than the Pelican Beach Resort & Spa.

*"This hotel excels at making you feel very special on your day. Valentina, the Hotel Manager, makes you feel so relaxed: the service is effective, discreet yet attentive. The food was spectacular, the tables dressed beautifully, We ate at the sea front restaurant next to our room: Dancing in the moonlight is something we shall never forget. Ever."*

INTIMATE AND ROMANTIC

Tania chose a light pink-champagne shadow to top Tizzy's lids for a lighter, yet still dramatic look. Then applied a peach blush onto the apples of her cheeks and run a dusty rose lipstick over her lips.

Tania is our passionate and professional Make Up Artist and Hair Stylist based in Sardinia. She feels that getting your makeup done on your wedding day should be an experience in itself. She enjoys her job and uses the highest quality products to make you look like the best version of yourself!

## THE GROOM'S OUTFIT

John looked dashing in his blue suit. He looked so smart and smiley. Tizzy felt instantly relaxed, she met him at the hotel's garden.

John wore a bright blue suit from Ambrosio Atelier Olbia.

THE CEREMONY  
SYMBOLIC BEACH WEDDING  
INTIMATE AND ROMANTIC

*“It’s all about you & the love you share.”*

“Not even those grey clouds could take the shine off this couple’s special day” Ivana smiles telling about Tizzy and John’s Big Day.

”The aisle was the white sand beach of The Pelican Beach Resort and they walked slowly to me. It was such a romantic moment!”

On a gorgeous but windy spring evening our lovely couple had their ceremony on the Pelican Beach.

For Tizzy and John Ivana, our SardiniaWedding Officiant provided a custom written, personalized speech. Ivana’s job consists in celebrating unions of two people, which are unknown to her. “I wrap myself for weeks or months in their stories, till the moment comes to meet their faces and the inspiration comes out . That one I need for celebrating their love”, she says.

“With Tizzy and John everything was clear to me from the first moment I met them”, Ivana recalls. “As strong as an hurricane their love has overwhelmed me. Everything was clear: I faced a pure, true love, more true than the truth. A love that goes from the heart straight to the stomach”.

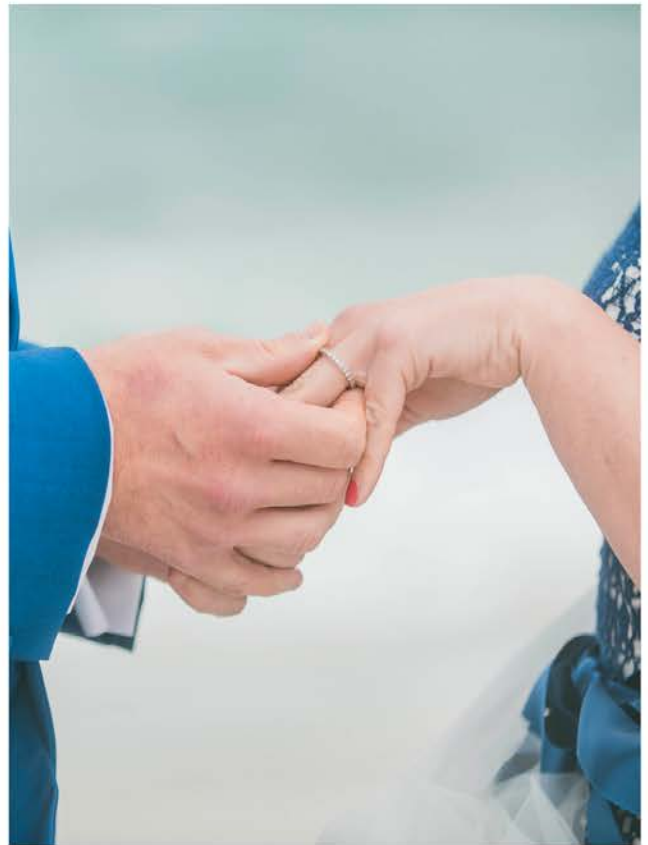

**John’s wedding vow**

*“Tizzy, the day we met my life changed forever.*

*The happiest moments I can remember have been moments spent at your side. Today I stand here in awe of you, of our bond and of our love.*

*I promise never to leave your side, pick you up when times are hard, to support you in all your endeavours, as you do mine with such unwavering devotion. Tizzy, with this ring I promise that my love for you will never change, for the rest of our lives”.*

SYMBOLIC BEACH WEDDING

INTIMATE AND ROMANTIC

# The 1st Look

Before the ceremony, in a private secluded spot, our photographer Jenny Hanh met the Bride and Groom seeing one another for the very first time, at the Pelican Beach Garden.

We believe this is such a special moment to capture.

It encapsulates the love, anticipation and the raw emotion of a very private moment between bride and groom on their wedding day.

It is sweet and romantic to shoot but totally optional of course.

Located just steps away from the Pelican Beach Resort & Spa, where the lovely couple had their room, their beach wedding location was absolutely fabulous!

The amazing rock clusters were just perfect for their romantic wedding pictures after the ceremony.

These pictures are taken by our photographer Jenny Hanh.

Jenny Hanh is a self taught photographer, based in Olbia, Sardinia.

She is doing the 2 greatest jobs in the world: mom of a 2 lovely girls and photographer, who captures the real happy moments of couples and families.

One of her favourite saying is: 'Sometimes you will never know the value of something, until it becomes a memory'. She believes that photographs can help us to keep a moment that's gone forever, impossible to be back.

*" I believe in love and happy endings!"*

Hi, I'm Jenny! I love creating photographs that are full of color, energy and personality. My photography is a mixture of photojournalistic moments and beautiful creative portraits.

When I need a break, I enjoy riding my Vespa, sipping a cup of tea with loooooots of milk, cooking, tasting good food, travelling and crafting. I'm totally inspired by simple beings and the beauty of everyday life

I don't want to say so much about myself, I want people see me through my art.

INTIMATE AND ROMANTIC

Every detail counts when planning your dream wedding. Especially when you are planning a beach destination wedding.

The Bridal Couple chose to recite their vows to one another and changed their rings before Adriana, our professional wedding singer, sang a beautiful version of “Vivo per Lei”.

Tizzy chose our *Rustic Style* with beautiful Orchid Petals and Lanterns for beach and garden’s set up. The simple rustic elegance looks absolutely amazing with the blue of Sardinian sea and sky as backdrop, along the white sand of the Pelican Beach.

The small white Cheesecake nicely complimented the simplicity of the elegant location.

After their beautiful beach wedding, Tizzy and John enjoyed their Wedding Aperitif with some cocktails and creative appetizers.

After the cake and aperitif they moved to the Pelican’s Seaview restaurant where a great selection of seafood specialities has been served.

Everything they chose for their beach wedding was absolutely perfect!
